

Cobb County Medical Society

April 6, 2017

Dear Members of the MAG House of Delegates:

The Board of Trustees of the Cobb County Medical Society is please to nominate Despina Dalton, MD, MBA, CPE, RPh, FAAP for the position of Second Vice President of the Medical Association of Georgia.

Dr. Dalton joined the Cobb County Medical Society and Medical Association of Georgia in 2008. She has been an active member of both organizations since joining. Cobb County Medical Society elected Dr. Dalton President in 2014. Dr. Dalton has remained active after her Presidency.

Dr. Dalton currently serves as the Vice President of Medical Affairs and Physician advisor for Wellstar Douglas Hospital (WDH) in Douglasville, Georgia She became a Certified Physician Executive through the American Association of Physician Leaders in 2015. She received her Executive Healthcare MBA from George Washington University in 2010. She received her Medical Degree from the UAG and New York Medical College. She received her Pharmacy degree from the Arnold and Marie Schwartz College of Pharmacy in Brooklyn, New York. She served as the President of the Medical Staff for Wellstar Cobb Hospital from 2011 to 2013. Previous to her current position, Dr. Dalton was the Medical Director for the Pediatric Emergency Departments at both Wellstar Cobb and Paulding Hospitals. She serves on the Board of the Medical Association of Georgia and is a past-President for the Cobb County Medical Society. Dr. Dalton is a graduate of the Georgia Physician Leadership Academy and currently is enrolled in the Conservative Policy Leadership Institute. She lives in Powder Springs, Georgia with her husband and three children.

Dr. Dalton wrote and produced a training video on the "Think About It Campaign." The training is now offered to physicians at WellStar Hospitals.

The physicians of MAG will be well served by this well qualified and experienced leader. The Cobb County Medical Society asks you to support the election of Dr. Debi Dalton as MAG Second Vice President.

Sincerely,

Jeffrey Stone, MD
President
