## In 2016, MAG ...

- ✓ Led the charge to block the mega-health insurer mergers
- ✓ Was the champion for S.B. 158 (greater insurer disclosure and transparency and better pay), S.B. 302 (more accurate provider directories), and H.B. 900 (enhancing the state's Prescription Drug Monitoring Program)
- ✓ Created an IT solution – HealtheParadigm – that you can use to generate data analytic reports to improve patient outcomes and fulfill the new MACRA/MIPS payer metrics
