

Drop off your old meds!

Protect yourself,
your friends,
your family,
your community,
your planet!

Dispose of your expired
prescription drugs at the
designated dropbox!

Not okay to use expired
medication for uses other
than prescribed.

Not okay for friends and family
to use your drugs, whether with
or without your permission.

Prescription drug abuse affects
entire communities.

Flushing drugs puts them in our
water supply, adversely affecting
communities and marine life.

It's easy, simple, safe
and anonymous.

Medical
Association
of Georgia

Building a Better State of Health Since 1849

ADVOCATE • EDUCATE • SECURE

Do the right thing and drop your expired and unneeded
prescription drugs at the dropbox location listed below
(no needles, please).
