

INTRODUCING THE MAG 401(k) PLAN

By joining the MAG 401(k) Plan, you can offer your employees an outstanding plan while saving administrative time and money.

MAG 401(k) PLAN

Member Benefits

- Cost savings on the investments
- No individual Form 5500 reporting
- Minimal plan maintenance
- Flexible plan features, including safe harbor, Roth and profit sharing
- Customizable 401(k) plan design options involving eligibility, matches, vesting schedules, and more
- No audit at member level

How?

The MAG 401(k) Plan is treated like one large plan from a government Form 5500 reporting standpoint. The result is a 401(k) plan with competitive investments, outstanding service, and someone else doing a majority of the plan maintenance leg work.

Strength in Numbers

With more than 7,000 members, MAG offers one large, powerful, unified plan. When you utilize the MAG 401(k) Plan, you have all of the advantages and flexibility of a stand-alone plan, while avoiding the expenses and administrative headaches associated with sponsoring a stand-alone plan.

Let us handle the paperwork for you

By participating in the MAG 401(k) Plan, virtually all of the administrative tasks can be offloaded from you to Transamerica, ACG, and MAG.

Tasks that can be shifted include:

- Administrative responsibilities
- Employee eligibility tracking
- Distributions
- Processing
- Plan compliance
- Non-discrimination testing
- Annual reporting
- Participant education/enrollment

The result is more time for you to focus on running your practice.
