### How?

The MAG 401(k) Plan is treated like one large plan from a government Form 5500 reporting standpoint. The result is a 401(k) plan with competitive investments, outstanding service, and someone else doing a majority of the plan maintenance leg work.

### Strength in Numbers

With more than 7,800 members, MAG offers one large, powerful, unified plan. When you take advantage of the MAG 401(k) Plan, you have the flexibility of a stand-alone plan while avoiding the expenses and administrative headaches.

### Let us handle the paperwork for you

By participating in the MAG 401(k) Plan, you can virtually shift all of the administrative tasks to Transamerica, ACG Wealth, and MAG.

This includes:

- Non-discrimination testing
- Annual reporting
- Participant education/enrollment

The result is more time for you to focus on running your practice.
