The Heart of the Matter
Managing Cardiovascular Risks in Pregnancy
August 18-19, 2017
Grand Hyatt Atlanta
Friday: 5:30 PM — 8:00 PM  Saturday: 7:15 AM — 3:00 PM

What Can You Expect?
Recognizing and managing heart disease during pregnancy is challenging. This conference will address topics including: assisted fertility in older women, cardiovascular genetics, peripartum cardiomyopathies, maternal mortality, Fetal SVT, and a half day focused on preeclampsia. We hope you will join us with your colleagues and friends to share and learn in this dynamic education opportunity!

Who Should Attend?
The Heart of the Matter aims to bring together physicians, PA’s, NP’s, and nurses in the specialties of obstetrics and gynecology, cardiology, emergency medicine, maternal fetal medicine, and internal and family medicine.

Online Registration Begins: June 1, 2017!
Register early to receive discounted registration!
Visit our website for registration, details on the conference and hotel information:
