

Dear all:

I hope everyone and their families have remained safe.

With COVID-19 spreading quickly, the CDC has recommended no gatherings of 50 or more people for the next 8 weeks.

Out of an abundance of caution, we are canceling the in person Board of Directors meeting and going to a GoToMeeting format. The agenda will be trimmed down so as to be respectful of everyone's time. In the next week or so, you will be receiving a GoToMeeting invite from MAG.

Also, we are canceling the summer legislative education seminar for the same reasons. In addition, we are not aware of when the General Assembly will resume as they have not passed a budget, their only constitutional duty. Because the General Assembly has not concluded, the legislators cannot raise money for their reelection campaigns. Many moving parts in this uncertain time.
