The Executive Committee of the Georgia Medical Society is pleased to nominate for another term as Speaker of the MAG House of Delegates our member Dr. Edmund R. Donoghue.

We feel that MAG is very fortunate to have such a member who serves with dignity and is very experienced in parliamentary procedures.

We feel that he is well qualified to lead the House of Delegates in conducting its business.

We ask that you support him.

Sincerely yours,

Patrick L. Blohm, M.D.
