To: Delegates, MAG House of Delegates

On behalf of the Board of Directors and the membership of the Hall County Medical Society, it is my pleasure to announce our enthusiastic endorsement of Dr. Jack Chapman for the position of Delegate to the American Medical Association.

Jack is truly one of the great leaders our profession has produced. His record of service is one for all of us to emulate. After serving in all leadership positions in MAG, including the presidency in 2007-8 and GAMPAC Chair from 2010-13, Jack continues his involvement now as President of the MAG Foundation, Co-Chair of the "Think About It" campaign and a member of the GPLA Steering Committee.

Pertinent to his candidacy for AMA Delegate, Jack has attended every meeting of the AMA House of Delegates since 2006 and currently serves as an Alternate Delegate. He understands the importance of this position and will continue to be a strong member of the MAG delegation. He is dependable, well-informed and an effective spokesman for medicine.

No one is better prepared to assume this position than Jack Chapman. We ask for your support for his candidacy and for your vote.

Sincerely,

Abhishek Gaur, MD, President
