MAG Fact Sheet
MAG Health Insurance Plan

The Medical Association of Georgia (MAG) has introduced the MAG Association Healthcare Solutions Plan, and medical practices in the state can now get a quote on health insurance policies that can go into effect as soon as May 1, 2020.

The MAG Association Healthcare Solutions Plan is expected to deliver savings of up to 20 percent compared to standard small group plans—although savings will vary for each practice.

The MAG Association Healthcare Solutions Plan features...

- Medical, dental and vision plans from Humana®.

- Customized plans, deductibles, co-pays, and cost-sharing.

- HR technology and support that make benefits administration less time-consuming.

- Humana’s Go365 wellness program, which rewards individuals for making healthy choices and can save practices even more in premium credits.

Alpharetta-based Decisely Insurance Services administers the MAG Association Healthcare Solutions Plan, which is available to MAG member practices that enroll five or more full-time employees—keeping in mind that every physician at the practice must be a MAG member for the practice to qualify for the plan.

Decisely hopes to add smaller practices to the MAG plan in the future, but it can already help MAG member practices that have two to four full-time employees (and where every physician at the practice is a MAG member) obtain good small group health insurance plans from Aetna and Cigna. These practices should click on the ‘get a quote’ link that’s at the bottom of this page.

Contact Ryan Larosa at 678.303.9275 or rlarosa@mag.org with questions about the MAG Association Healthcare Solutions Plan. Go to www.mag.org/membership to join/renew your MAG membership.
