Dear Colleague,

I love the Medical Association of Georgia, and I cherish our responsibility to improve healthcare for our patients collectively through organized medicine. To accomplish this duty, each year we gather as a House of Delegates for timely, lively, and efficacious debate. Serving you as Vice Speaker for two previous terms, I have strived to improve. Please support me as I seek one last term at this position, and I welcome your suggestions and advice to be the best possible Vice Speaker. My Cell Phone is (912) 393-4021 and my email is: jbarbermd@gmail.com.

Thank you!

Sincerely,

James W. Barber, M.D.
