

# Make a difference as a MAG ‘Doctor of the Day’ volunteer

The Medical Association of Georgia (MAG) is encouraging physicians in the state to serve as a MAG ‘Doctor of the Day’ program volunteer during the 2021 legislative session, which will run from mid-January until the end of March.

MAG ‘Doctor of the Day’ volunteers work in MAG’s Medical Aid Station at the State Capitol, where they provide free minor medical care to legislators and their staff members.

As MAG’s ‘Doctor of the Day’ you will ...

- Be assisted by a nurse
- Have protection under Georgia’s Good Samaritan Law
- Be introduced in the House and Senate chambers by your state representative and senator
- Have your photo taken with governor (when he is available)
- Have a reserved parking place

MAG’s ‘Doctor of the Day’ program is a non-political service. Volunteers do not serve as lobbyists when they serve as a MAG ‘Doctor of the Day’ volunteer.

Physicians who are interested in serving as ‘Doctor of the Day’ during the 2021 legislative session can submit this form via email to Christiana Craddock at [ccraddock@mag.org](mailto:ccraddock@mag.org).
