

**MICHAEL E. GREENE, M.D.  
CANDIDATE FOR RE-ELECTION  
AMA DELEGATE  
2021**

To: Members of the MAG HOD

I would like to announce my intention to run for re-election as delegate to the AMA.

I have been a delegate at all levels from Medical Student, Resident, Young Physician and to the main. House of Delegates. I have served on various reference committees and have chaired two.

My position on the physician as the leader of the health care team remains steadfast, and firmly oppose changes to muddy the water with recent suggested changes of various midlevel providers. I support continued efforts to reduce paperwork and the unnecessary amounts of prior approval and other “make work” from private insurers and the state and federal government.

I strongly encourage involvement of all physicians against the changes in hospital medical staff bylaws that are steadily eroding safeguards for physicians.

I believe that I have established contacts across specialties, geographic location, and practice styles in the organization.

I humbly ask for your support in reelection the MAG AMA delegation.

Sincerely,  
Michael E. Greene M.D
