Dear Colleague,

I ask for your support as I run for the MAG position of Speaker of the House. I love the Medical Association of Georgia and cherish our responsibility to improve healthcare for our patients collectively through organized medicine. To accomplish this duty, each year we gather as a House of Delegates for timely, lively, and efficacious debate. To prepare for this opportunity, I have served as Vice Speaker for the previous six years, and I have attended the American Institute of Parliamentarians workshops for six years.

I have strived to improve and will continue to do so if you elect me as Speaker. I welcome your suggestions and advice. My Cell Phone is (912) 393-4021 and my email is: jbarbermd@gmail.com.

Thank you!

Sincerely,

James W. Barber, M.D.
