Board of Directors, Medical Association of Georgia

Dear fellow board members,

This is to inform you of my intent to run for the office of treasurer of the Medical Association of Georgia. Reflecting back on a very rewarding career, I am very appreciative of all that MAG has done for the physicians of Georgia and I look forward to having the opportunity to give back.

I have almost 40 years of experience in healthcare business and administration. I have previously been president of the anesthesia practices at North Fulton Hospital and St Joseph's Hospital. For the past 27 years I have been president of The Physicians' Spine and Rehabilitation Specialists of Georgia, a group practice that currently has five locations and over 60 employees. I am past president of the Medical Association of Atlanta and have represented MAA on the MAG board for over five years. I have had experience in starting and growing businesses and navigating them through all manner of financial concerns, including those brought on by the recent pandemic. I know how to exercise restraint in managing expenses, but I also know that no organization has ever cut its way to greatness!

I am particularly excited by the opportunity to grow our association by increasing non-dues revenue. The greater value MAG can show for the amount of dues paid, the more members we will have. The more members we have, the greater our influence.

I believe in and support the current efforts to grow MAG revenue through providing valuable business and insurance products to our members. My company currently uses the services of a MAG partner for internet optimization and the MAG Insurance Agency is our broker of record for our business insurance lines. Moving forward, I think we have a great opportunity to grow revenue by adding outside sponsors and through promoting MAG's brand.

I enjoy creating and implementing fundraising strategies for worthy causes. As a member of the executive board of the Atlanta Area Council, Boy Scouts of America, I have chaired campaigns that have cumulatively raised over \$17 million. I have also chaired the annual campaign for my church, and have been finance chair for two candidates for public office. As president of MAA, I substantially increased non-dues revenue through growing sponsorships.

It would be a great honor to serve with MAG's leadership team and administrative staff in driving our future success. Thank you in advance for your consideration and support.

Yours sincerely,

A handwritten signature in black ink that reads "Randy Rizor". The signature is written in a cursive, flowing style.

Randy F. Rizor MD

Dear MAG Delegates and Alternate Delegates,

The Medical Association of Atlanta is honored to endorse Randy Rizor, MD, for election at the MAG House of Delegates for the position of Treasurer of the Medical Association of Georgia for the coming year.

Dr. Rizor has been active in organized medicine in many capacities and has been an active member of the Medical Association of Atlanta since 1980. He recently served as the President of the Medical Association of Atlanta in 2020 and he has represented the MAA on the MAG board for over five years.

Dr. Rizor has been a champion for improving membership benefits, fundraising efforts and recruiting sponsors to help the MAA achieve its goals. He plans to take the same approach at MAG and believes there is a great opportunity to grow revenue by adding outside sponsors and through promoting MAG's brand. As a member of the executive board of the Atlanta Area Council, Boy Scouts of America, he has raised over \$17 million. He has chaired the annual campaign for his church, and he has been finance chair for two candidates for public office.

Dr. Rizor is a founding partner of The Physicians Spine & Rehabilitation Specialists and practices in the Sandy Springs and Stockbridge offices. He graduated Phi Beta Kappa from Bates College and received his Doctor of Medicine Degree from the University of Toledo School of Medicine in 1976. He completed a residency in Anesthesiology at Dartmouth-Hitchcock Medical Center. Dr. Rizor was certified by the American Board of Anesthesiology in 1981. He received sub-specialty certification in Pain Management from the American Board of Anesthesiology in 1993 and re-certification in 2005.

It is my privilege to recommend Dr. Rizor for the position of Treasurer of the Medical Association of Georgia.

Fonda Mitchell, MD, MBA
